**2009 Niwot High School Education Foundation Optimist Club Scholarship**

This scholarship is being offered through a donation to the Niwot High School Education Foundation by the Niwot Optimist Club. The club was in existence from 1990 until 2004. When the Club disbanded, the membership voted to donate the treasury to the NHS Education Foundation to be used to fund an annual scholarship for a graduating senior who best exemplified the Optimist ideals of service to community. This \$500 scholarship is being offered to all students who meet the following criteria:

1. The student must be a senior at Niwot High School this year (2008-2009).
2. The applicant must become a full-time student at a 2 or 4 year institute of higher learning in the fall of 2009. Funds will be dispersed directly to the institution.
3. The student must complete a one-page essay to be submitted by April 10, 2009. The essay should be submitted to the NHS Office.
4. A faculty member who is aware of your contributions and supports your application must sign the essay.
5. The student and parents/guardians must also sign the essay, thus verifying that it is the student's original work.
6. An interview may be required.

**Please attach a single-spaced, one-page essay expressing how you have made an impact or contribution to the community and why you are deserving of this scholarship.**
