 - Each round will be played for 30 minutes (see below) At the end of each round, the players still with chips will advance to the next round
 - Schedule of rounds and blinds are as follows:

ROUND 1 – 25 Minutes

ROUND 2 – 25 Minutes

ROUND 3 – 25 Minutes

CHAMPIONSHIP ROUND – *Until Champion is determined or 11:00pm*

“DEALER” Button (definition) – Rotates clockwise from player to player to determine the dealer, 1st card is dealt to the player immediately left (small blind) of the dealer button.

BLIND (definition) – A blind is used to force action from players at the table so that no player can just sit on their chips and not play. There are 2 blinds (small blind & big blind). The small blind is the player immediately left of the “DEALER” button and must commit the small blind required amount of chips. The big blind is the player 2nd from the left of the “DEALER” button and must commit the big blind required amount of chips (double the small blind amount). The BLIND will DOUBLE every time the Deal cycles through a Loop and starts over.
